

Advanced manufacturing

Winnipeg

MANITOBA, CANADA

Manitoba has forged a trusted reputation in advanced manufacturing.

We are a hub for producing high-value, well-designed and engineering-intensive goods for customers around the world. Our stable, diversified economy provides a strong foundation of support to invest in new technologies where companies benefit from an innovative ecosystem.

Why Winnipeg?

R&D hotspot

Over \$100 million invested in research and development⁴

Diverse economy

Highly diverse, stable and collaborative economy

Affordable energy

Winnipeg offers renewable energy that is among the lowest published electricity rates in North America⁵

Central location

North America's geographic centre with the continent's largest trimodal inland port⁵

Invest in Winnipeg

Recent multimillion-dollar investments in advanced manufacturing

Winpak added a 85,000 sq. ft. expansion to house their Nylon film subsidiary

Price Industries built a new 29,000 sq. ft. HVAC research facility

Canada Goose opened a 128,000 sq. ft. factory - their third facility in Winnipeg

GROWING YOUR BUSINESS HERE

Market access advantages

Winnipeg is perfectly positioned for your business to take advantage of the North American Free Trade Agreement (NAFTA), Canadian-European Union Comprehensive Economic and Trade Agreement (CETA), Canada-Korea Free Trade Agreement (CKFTA) and the Comprehensive and Progressive Agreement for Trans-Pacific Partnership (CPTPP). Winnipeg's location offers businesses:

- Maximized value and increased international market access
- Duty-free access to 800 million+ consumers
- A one-hour drive to the busiest U.S. border crossing in Western Canada

Did you know? Winnipeg is home to Precision ADM, the only additive manufacturer that is ISO 13485 Medical Device Manufacturing registered and AS9100D Aerospace Device Manufacturing certified in Canada

Manitoba A provincial powerhouse for research & development

38 internationally renowned advanced manufacturing research facilities

Top three advanced manufacturing subsectors by revenue²
