

SiteREADYMB

ONLINE CONSTRUCTION SAFETY ORIENTATION

Construction sites have unique hazards. Be site ready with SiteReadyMB.

SiteReadyMB is an interactive general orientation program designed specifically to prepare new and returning workers to work safely in the construction industry. Participants will receive training on 20 topics, including the following:

- Legislation
- Rights and responsibilities
- Personal protective equipment
- Hazard management
- Workplace conduct
- WHMIS

Successful participants will receive certificates for both SiteReadyMB and WHMIS 2015. For more info, email sitereadymb@constructionsafety.ca.
