

The hairstyling program provides students with the theoretical knowledge & practical experience of all aspects of hair services for women and men. Students are also trained in performing a basic manicuring for clients. This accredited program is delivered through classroom theory instruction, working with mannequins, as well as the faithful clientele of the school. A student should have a creative flare, good finger dexterity, tolerance of the products used in the hairstyling industry, and strong customer service abilities. There is currently a skilled trade's person's shortage within the province of Manitoba.

Completion of this program will offer students the following opportunities:

Hairstylist	Beauty Sales representatives
Salon Owner	Receptionist
Salon Manager	Hair color Technician
Platform Artist	Hair competition judges

The Hairstyling program is accredited by Manitoba Apprenticeship and lets you get your start on a Red Seal (your professional certificate) in the Hairstylist trade. Students who take all three sections of this program, achieve 70% and the required 1400 hours are recognized by Manitoba Apprenticeship. Practical training hours can be acquired through the High School Apprenticeship Program (HSAP) - a high school, evening/weekend/summer work practicum recognized Apprenticeship MB.

The hairstyling program has three sections, for a total of 12 credits. The full program is offered over three semesters. Course titles include:

Section 1

- 8312 Intro to Hairstyling 20S
