

Billet Information Form

Required by all RRTVA students

Hello Morris School, Welding students and parents,

It is vital to have a billet plan in place, should a situation arise where school buses are not running at the end of the school day for RRTVA students. This contact information needs to be available to the Welding instructor, Mr. Hiker and Morris School.

If you do not have a family connection in Morris, your child will be supervised by school staff on site at Morris School located at 324 Toronto Ave East, Morris, Manitoba.

Please complete this Billet Information Form by initialing one of the two options below.

Return the completed billet information form to Mr. Hiker who will keep a copy and provide a copy to the Morris School office.

_____ I have provided the contact information below where my child will be billeted if necessary.

_____ In the event RRTVA buses are not running, my child will remain at Morris School under school staff supervision. If required, the students would remain overnight at Morris School under the supervision of the principal or designate. Parents will be required to communicate with **Mr. Hiker at 204-746-2612 ext. 3216** or Morris School principal designate at 204-746-2612 for alternate departure arrangements.
