

Billet Information Form

Required by all RRTVA students

Hello Roseau Valley School, Automotive Technology students and parents,

It is vital to have a billet plan in place, should a situation arise where school buses are not running at the end of the school day for RRTVA students. This contact information needs to be available to the Automotive Technology instructor, Mr. Maynard, and Roseau Valley School.

If you do not have a family connection in Dominion City, your child will be supervised by school staff on site at Roseau Valley School at 190 Franklin Ave West, Dominion City, Manitoba.

Please complete this Billet Information Form by initialing one of the two options below.

Return the completed billet information form to Mr. Maynard who will keep a copy and provide a copy to the Roseau Valley School office.

_____ I have provided the contact information below where my child will be billeted if necessary.

_____ In the event RRTVA buses are not running, my child will remain at Roseau Valley School under school staff supervision. If required, the students would remain overnight at Roseau Valley School under the supervision of the principal or designate. Parents will be required to communicate with **Instructor Darrel Maynard at 204-427-2342** or Roseau Valley School principal designate at 204-427-2143 for alternate departure arrangements.
